#### Flight attendants

Becoming a flight attendant is a dream job for many people. Flight attendants are responsible for ensuring the safety and comfort of passengers during flights. They greet passengers, help with seating, and demonstrate safety procedures. While the job offers exciting travel opportunities, it is also challenging. Flight attendants often work long hours, including nights, weekends, and holidays. They must be ready to handle any emergencies that may arise, such as medical issues or unexpected turbulence.

Flight attendants also need to be friendly, patient, and adaptable. They work with people from many different backgrounds and must remain calm in stressful situations. Although the job can be tiring, many flight attendants love the chance to explore new places and meet people from around the world. To become a flight attendant, one usually needs special training, which includes safety procedures, customer service, and first aid.

In short, being a flight attendant is not just about traveling. It requires hard work, dedication, and a genuine interest in helping others.

- Question 24. What is the main idea of the passage?**
- A. The role of a flight attendant requires hard work and dedication.

#### Flight attendants

Becoming a flight attendant is a dream job for many people. Flight attendants are responsible for ensuring the safety and comfort of passengers during flights. They greet passengers, help with seating, and demonstrate safety procedures. While the job offers exciting travel opportunities, it is also challenging. Flight attendants often work long hours, including nights, weekends, and holidays. They must be ready to handle any emergencies that may arise, such as medical issues or unexpected turbulence.

Flight attendants also need to be friendly, patient, and adaptable. They work with people from many different backgrounds and must remain calm in stressful situations. Although the job can be tiring, many flight attendants love the chance to explore new places and meet people from around the world. To become a flight attendant, one usually needs special training, which includes safety procedures, customer service, and first aid.

In short, being a flight attendant is not just about traveling. It requires hard work, dedication, and a genuine interest in helping others.
